## NEWS RELEASE

### UD CAREER AWARENESS DAY EXPLORES FIELDS OF ENGINEERING

DAYTON, Ohio — The University of Dayton School of Engineering will offer an engineering career awareness day from 8:15 a.m. to 1 p.m. Friday, March 7, in the Kennedy Union Ballroom for high school students with an aptitude for science and math, their parents, teachers and counselors.

The program is free, but registration is required. Call (937) 229-2736.

The overview of the engineering profession gives students the opportunity to attend presentations by practicing engineers from leading area businesses, to tour engineering labs and meet engineering students. Tours will be offered in Kettering Labs, the mechanical engineering building and Wohlleben Hall. Lunch will be provided, and campus tours will be available.
